PERFORMANCE?

PLASTICS

It is important to invest in a worry-free product that will save you time and money.

Tufftec® and Duralife® Lockers are built tough, down to every detail. Graffiti can be easily wiped clean with a common non-abrasive cleaner. Since Scranton Products Tufftec and Duralife Lockers are formulated with a solid color-throughout compound, scratches are difficult to see. Compared to other traditional material types, performance plastics have greater resistance to impacts and dents, providing you with low maintenance lockers that will look great for years.

IMPACT AND DENT RESISTANCE TEST RESULTS

Inches	0.00	0.05	0.10	0.15	0.20	0.25	0.30	0.35	0.40
SP LOCKERS 0.003									
METAL 0.292									

IMPACT DEPTH

An impact test conducted following ASTM standards showed that Scranton Products has 59 times greater resistance to impacts when compared to metal.

- NO PAINTING**

Scranton Products lockers are a solid color-throughout compound and will never require painting.
- EASY GRAFFITI REMOVAL**

Graffiti can be easily wiped clean with a common, non-abrasive cleaner.
- CLEANER, HEALTHIER FACILITIES**

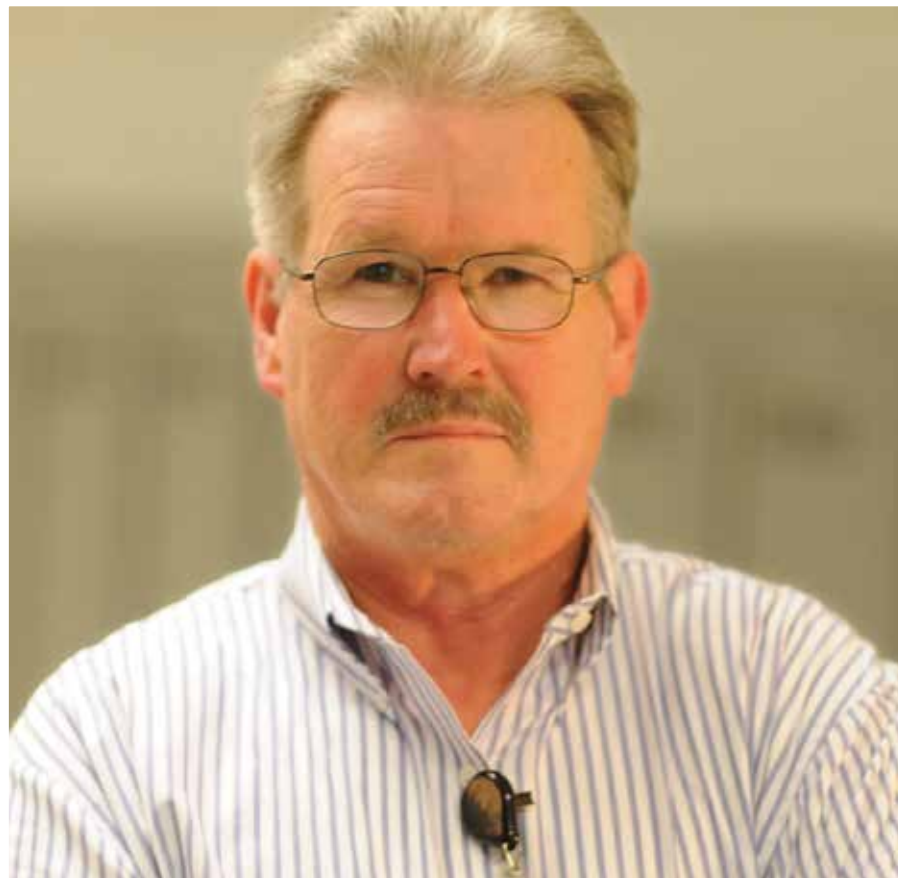

Impermeable to moisture and odors, Scranton Products lockers non-porous surface does not support the growth of mold and mildew and will never rust.

NATURALLY GERM RESISTANT

Scranton Products Tufftec and Duralife Lockers are naturally resistant to common bacteria including MRSA. Independent testing conducted by Situ Biosciences LLC by the ISO 22196 method has shown that after 24 hours, 98.4% of MRSA died off the surface of plastic without the use of cleaning solutions or antimicrobial additives. What's more, Scranton Products lockers are fully power washable and steam cleanable.

worry-free **PERFORMANCE**

Scranton Products premium lockers have led the performance plastic market, setting new benchmarks for the industry for quality and innovation. Together, the brands of Scranton Products offer the most comprehensive and trusted line of innovative products in the industry.

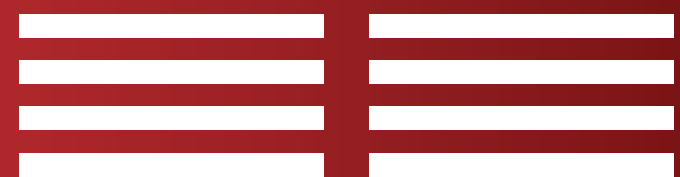

“Maintaining metal lockers was a nightmare. With plastic lockers, we cut our maintenance time from 3-4 weeks to just 2-3 days, and cleaning graffiti went from days to minutes. I couldn’t be happier.”

Robert Gannon
Director of facilities at Ocean City High School, Ocean City, N.J., where Scranton Products lockers have been installed for 10 years.

CASE STUDY

Located near the shore in Ocean City, N.J., Ocean City High School wanted to avoid all the maintenance issues associated with corrosion when building their new school. In the 10 years since the lockers were installed, there have been no reports of locker break-ins, no doors have required replacement, there has been no noticeable scratching, and graffiti can be quickly and easily wiped off.

TUFFTEC
LOCKERS®

MANY APPLICATIONS; MANY OPTIONS

For each industry, Tufftec Lockers have a solution for every place and purpose. Select from a multitude of styles, configurations and interchangeable options to create customized lockers that meet the most demanding specifications and stand up to the most challenging environments.

Engineered for strength and durability, HDPE withstands the harshest daily use and is virtually maintenance free. Formulated from a homogenous color-throughout compound, Tufftec Lockers are the most durable, cost effective and aesthetically pleasing products in the industry, and they are backed by our **25-year limited warranty**.

FOR A WORLD THAT WORKS

Tufftec **ONE TIER** LOCKERS

Tufftec Lockers – Color: Charcoal
Style: One Tier, Full Lattice-Mesh-Venting
Tufftec Benches – Color: Desert Beige

TUFFTEC ONE TIER LATTICE MESH VENTING LOCKER FEATURES

- Single tier configuration with optional lattice mesh venting for maximum airflow
- Solid 1/2" thick HDPE
- Shelf included for additional storage
- Double-prong black coat hook supplied
- Multiple locking mechanisms available
- Raised ergonomic handle designed to meet ADA code compliances
- Slope top option shown

Tufftec **TWO TIER** LOCKERS

Tufftec Lockers – Color: Hunter Green
Style: Two Tier
Tufftec Benches – Color: Grey

TUFFTEC TWO TIER LOCKER FEATURES

- Two tier configuration for additional storage units when space is limited
- Solid 1/2" thick HDPE with top and bottom ventilation slots
- Multiple locking mechanisms available
- Raised ergonomic handle designed to meet ADA code compliances
- Built to withstand a variety of harsh environments

Tufftec MULTI TIER LOCKERS

Tufftec Lockers – Color: Desert Beige, Hunter Green
Style: Four Tier

TUFFTEC MULTI TIER LOCKER FEATURES

- Tiers ranging from 2-6
- Provides a variety of storage options to meet your most demanding specifications
- Solid 1/2" thick HDPE with top and bottom ventilation slots
- Options to mix colors for a customized look
- Multiple locking mechanisms available

Tufftec Z-STYLE LOCKERS

Tufftec Lockers – Color: Grey
Style: Z-Locker

TUFFTEC Z-STYLE LOCKER FEATURES

- Designed to offer the height advantages of a single compartment with the compactness of a two-compartment
- Solid 1/2" thick HDPE with top and bottom ventilation slots
- Multiple locking mechanisms available
- Raised ergonomic handle to meet ADA code compliances
- Power washable and steam cleanable
- Popular in healthcare and country club applications

Tufftec ATHLETIC LOCKERS

Tufftec Lockers – Color: Black
Style: Athletic (Open Locker No Door)
Engraving: Black and White
Tufftec Benches: Desert Beige

TUFFTEC ATHLETIC LOCKER FEATURES

- Extra wide design with open fronts for maximum storage room
- Side ventilation for improved air flow
- Top locking storage compartment for personal items
- Top cubby for additional storage
- Hinged bench seat with lockable storage
- Garment bar with 2 side hooks
- Optional engraving to add visual appeal and proudly display your team or company logo
- Germ and bacteria resistant performance plastic materials
- Impermeable to moisture and dent resistant

Tufftec UTILITY LOCKERS

Tufftec Lockers - Color: Charcoal
Style: Utility (Open Locker No Door)

TUFFTEC UTILITY LOCKER FEATURES

- Extra wide design with open fronts for quick access to equipment
- Side ventilation for improved air flow
- Top locking storage compartment for personal items
- Top cubby for additional storage
- Garment bar with 2 side hooks
- Solid performance plastic construction which is impermeable to moisture
- Dent and impact resistant

Tufftec CUBBY LOCKERS

Tufftec Lockers – Color: Burgundy
Style: Four Tier Cubbies

TUFFTEC CUBBY LOCKER FEATURES

- Open storage solution
- Variety of configurations and sizes
- Solid 1/2" thick HDPE
- Ideal for daycare, classrooms and art rooms

DURALIFE
LOCKERS®

WE'VE REVOLUTIONIZED THE CORRIDOR LOCKER

Duralife Lockers are the first HDPE plastic locker that is fully fire-rated for your corridor application. Specially designed to meet the demands of the school environment, Duralife Lockers are built to withstand the harshest daily use. Scranton Products begins with the best material, American made HDPE that is engineered for strength and durability.

Virtually maintenance-free, HDPE outperforms metal lockers providing years of everyday low maintenance. Formulated from a homogenous color-throughout compound, Duralife Lockers are the most durable and aesthetically pleasing locker solution in the industry and come with a **15-year limited warranty**.

EASY ON THE ENVIRONMENT

When you choose Scranton Products performance plastic materials, you are supporting a healthier environment. Our lockers reduce landfill waste by using a blend of virgin and pre and post-consumer recycled content to produce a high quality product that is 100% recyclable.

Our GREENGUARD Gold Certified lockers meet strict criteria for products intended for use in environments where children spend significant periods of time. Because our lockers never need painting, they do not contribute to VOC emissions, which improves both indoor and outdoor air quality. In addition, they can be power washed or steam cleaned, eliminating the need for harmful chemical cleaners.

WE DON'T JUST TALK TOUGH.

WE BACK IT UP.

Proudly made in the USA,
Scranton Products' brands provide
industry leading protection.

We are so confident that our
plastic lockers will stand the
test of time that they are backed
with industry leading warranties
covering breakage, corrosion
and delamination under normal
conditions.
